

How have we helped?

Even when issues are identified, the OCM endeavors to help conservators be empowered to be successful fiduciaries - by discussing findings, providing constructive recommendations for case improvement, and connecting fiduciaries with needed resources.

Fiduciary missteps identified by the OCM:

- Uncovered over half of a million dollars in funds misappropriated by fiduciaries.
- Located undisclosed real property.
- Identified real property purchased and sold without court approval.
- Identified cases in which conservators used the respondent's resources for their own benefit, rather than for the benefit of the respondent.
- 28 conservatorships were expanded/changed due to issues identified by the OCM.
- 108 conservators were removed/replaced due to issues as identified by the OCM.
- 71 conservatorships were terminated due to action taken by the OCM
